EPRO8 TECHNOLOGY CHALLENGE

Best of luck to the Aorangi Falcons who will be doing their best in the Final this Friday. Now it is the Adults Turn. See below for a message from Kelvin, the co-ordinator.

“Recently Aorangi School took part in the EPro8 Challenge - the engineering and problem solving competition.

Well now it is the adults turn. On 23 August your workplace or organisation can compete against others in the Bay of Plenty region. You will work as a team to solve a range of fun engineering based challenges. This is a fantastic team building opportunity.”

“Kindness is the language that the deaf can hear and the blind can read.” Mark Twain

TERM BREAK

There are a lot of viruses going around so we hope you all have a great break, manage to avoid the bugs and we will see you back on Monday 24 July.

LUNCHTIME GROUP – THE ART GROUP

The Art group meet at lunchtime on Tuesdays. They do a range of activities from Visual Art to music. At the moment they are practising their ukulele and glockenspiel skills ready for the school show next term.

SPORTS CORNER

Netball

Another rainy Saturday, and five brave netballers dripped their way to the Westbrook courts. Unfortunately, we had multiple players out sick so lost to Owhata by default but that didn't stop us! After a good warm up to get the circulation going, we roped in Lucyous for an extra player and we took to the courts keenly. Tumanako was dynamic on defense with Kaia. Hayley joined us at half-time and made a great difference working well around the circle with Remedy, Marleyann and Lexus. It was truly a team effort this week, however, Player of the Day was Tumanako for an awesome first game.

Leanne Stewart - Coach

The draw for this Saturday 8 July is:

12:15pm Ct.10

Aorangi vs. WHP Mahuri

Miniball

Friday nights game was another thriller game. The team ran, shot for goal, rebounded and defended just like champions. Kararaina Morgan played her heart out. She managed to steal the ball and run the full length of the court only to panic before shooting, It was awesome to see her skill and speed. Kalani Forster-Ambrose was our player of the night. She couldn't believe that she had stolen the ball and had a free run down the side of the court. It was the first time ever during a game she had done this. Kalani's smile and bounces of elation said it all!

After this week's game, we will break for two weeks then start again once school resumes

Players are reminded to tell me if they are unable to come to practice or to the Friday night game. Thank you.

Peggy Meagher - Coach

The draw for this Friday 7 July is:

8:00pm Ct.3

Aorangi vs. St. Mary's Tigers
