Weird Science Fact

This photo is of a nest made on the ocean floor by a male puffer fish who does it to attract a female. If she likes the nest, she will lay her eggs here and the male will look after them until they hatch.

Dear Parents / Caregivers

Welcome to our new student and family:

Zeelahn Warren Y.4 R.10 Whaea Te Aroha

WALKATHON

Again, thank you to everyone who supported our fundraising effort this year. We don't ask for donations, and the board subsidise school events and shows so we can keep costs to families as low as possible. So our fundraising efforts help enormously. We have around \$1 300 in sponsorship in with just over \$250 outstanding. It would be great if we could have this in as soon as possible. The junior playground is looking much better with its new coat of paint and the walkathon money will go towards the \$3 000 cost of the re-paint. We also have some fabulous fundraisers and we will be recognizing their efforts at assembly next week.

WORLD RECORD HAKA

On Saturday 17 June, an attempt on the world record for largest haka will be held at the village green. It will be led by iconic All Blacks and Maori Leaders. The Maori All Blacks will be there and the Lions will come out of the Novotel while it is going on. They need as many people as possible. Events start at 10:00am with food stalls and the record attempt will be at 1:00pm, followed by a walk to the stadium for the game.

MCDONALDS NIGHT

Not many tickets have sold as yet. Children's tickets are \$6 and adults are \$9. Available at the school office for Sunday 11 June from 5:30 until 7:30pm at the Fenton Street branch.

SPORTS CORNER

Netball

Due to the wet weather, last Saturday's Netball was cancelled. There will be no netball this Saturday as it is Queen's Birthday long weekend.

Your next playing day will be Saturday 10 June.

11:30am Ct. 18 Aorangi vs. Otonga Ferns

Mini-ball

Last weeks game was a learning curve once again for our team. However, all the players showed that they were committed, determined and just loved playing Miniball and they can't wait for this weeks game. The Player of the night was Kararaina Morgan and she was rewarded for being focussed and determined to stick with her player. Even though she received an injury through the game she showed she wasn't going to give up for anyone. Ka mau te wehi Kararaina. A reminder to the team to bring their gold coin. This koha goes to the referees and means that we don't have to provide a referee of our own.

The draw for this Friday is:

8:00pm Ct. 2 Aorangi vs. Lynmore Lacers

Karen Anderson - Sports Co-ordinator

ASSEMBLY

This week's assembly is school singing with Room 1 and Whaea Peggy. We hope you can join us.
