Dear Parents / Caregivers

Welcome to our new students and families:

Kialeigh Tuhoro	Y.0	R.1	Whaea Peggy
Julius Whare	Y.0	R.1	Whaea Peggy

## LUNCHTIME GROUPS

We have lots of opportunities for our students to develop their talents and interests happening at lunchtime. One of the groups is the Coding Club who work with Rebecca Cox every Wednesday. Luckyie, Isaiah, Marleyann, Remedy, Ashanti, Tyler, Rodney and Xzaiver all enjoy computer programming. Isaiah is learning 'html' which is a code used to write and develop programmes.

## LATENESS

Between nine and 12 students are late to school every day. The first bell rings at 8:55am and all children should be on site at this time. Time not at school soon adds up. Being 20 minutes late for school each day adds up to 17 hours over a term or 11 days over a year. Please ensure your children are at school on time.

## **KIDSCAN JACKETS**

Mrs Steed has worked really hard to get another supply of the KidsCan black jackets. These have been named and issued to every student in the school. This is the last time we will be able to put in a bulk order. From now on they will be available to new students only. We have talked to our students about looking after their jackets, not losing them or letting other family members take them. They will keep everyone warm walking to and from school each day. Our thanks to everyone at KidsCan.

## **SPORTS CORNER**

### **Miniball**

What a frustrating but entertaining game our players had on Friday night. We were under the basket many times shooting for goal but just couldn't get any balls in! Our rebounding was great. Eventually after an unbelievable number of attempts at goal our eye was in and the points were on the board.

The whole team played with commitment and determination against our opposition Westbrook Primary. The team was once again well supported by whanau.

Our player of the day this week was Tumanako Hawe.

*The draw for this Friday 23 June is:*

7:00pm Ct.3 Aorangi vs. RPS Warriors

Mrs Anderson will be at the game this week.

### **Netball**

Last Saturday was a tough match up against Ngongotaha Mystics, especially since we were two players down. Taking the court with 6 players, our team did a great job on attack and Remedy was working hard in the defending circle to get some great intercepts. Player of the day was Lexus Werahiko and the final result was 1-8.

*The draw for this Saturday 24 June is:*

11:30am Ct.19 Aorangi vs. Glenholme Ferns

## Aorangi School Cross Country

The weather was on our side last Thursday as the rain had stopped, the sun was shining and we had just a little bit of wind, for our school Cross-Country down at Linton Park. We changed the course this year and things ran to plan with only a few minor hiccups. All of the children couldn't wait to get into it. Well done to you all. Thank you to those parents who supported us once again.

## **Inter-School Cross Country**

Tuesday 20 June was the Inter-School Cross Country. This was hosted by Kaharoa School. We had a group of 12 children who represented us across the various age groups showing they have just as much talent as anyone else. They found the course challenging but did not let that deter them from completing the course. Children who participated last year improved on their placings, which they were so impressed about. Ka mau te wehi tamariki ma. To our helpers Tania Ambrose and Courtney-Anne Anderson, a big mihi to you both. It is so nice to have support at events that involve our children. At times it can be difficult without the commitment from our school community. Kia ora ano.

## **BUDDY BENCH**

The buddy bench has been painted and is in place by Te Whare Matauranga. Our thanks to the school leaders and Murals Inc. for their wonderful artwork. The bench is in place for students who might be feeling a little lonely and in need of someone to talk to or play with.
