## SPORTS CORNER

### Netball

Lucky our games are at 11 o'clock and the sun is shining brightly, otherwise, it would be way too cold to play. Not to worry though, as the girls turn up, rain, hail or snow. The opposition was WHPS Year 5. When it was time to take the court only two of their players were there. So you guessed it we won by default. Even though this happened, we had a funzy game and this is where we were able to develop our skills. It was a good game, with Kalani Forster-Ambrose being Player of the Game, for shooting most of our goals.

#### ***The draw for this Saturday is:***

There are no games until Saturday 27th July 2019. Thank you, parents, for your support this term, we shall see you all back next term.

### Miniball

#### **Aorangi Middles**

Friday night saw the Aorangi Middles playing Glenholme. It was a great game, with the ball being moved up and down the court at speed. The passing was great which enabled goals to be scored before the opposition was able to make it onto defence. The sad thing about the game on Friday night was the team were short of a player. The rules state that each team has 5 minutes after the game starts to get all players onto the court. The Aorangi Middles were unable to do this, which was unfortunate. We had to forfeit the game. Having to do this means we are moving very close to being dropped from the draw. **Please, parents, let the school know if our players need a ride to get to the games.** Phoenix and Lucious combined well to get the ball down the court quickly and into the basket. Te Rongotoa ran hard and marked his player very closely. The player of the night was Te Hau. His marking was great and he managed to intercept his player's passing and receiving of the ball.

## **Aorangi Juniors**

Our junior team was unrelenting in their game against Rotoiti Inanga on Monday night. The competition was fierce and although the score was close for most of the game, Aorangi managed to pull away with a 14 - 9 win in the final minutes. Azariah Hiva was nominated **Player of the Game**, for her persistent efforts around the court and attacking skills. There will be no games for the next two weeks due to the school holidays. Have a good break everyone and don't forget to get in a bit of practice.

## **Aorangi Seniors**

Boy oh boy, what a nail-biting game between Te Koutu and Aorangi. It was that close, I was hoping and praying for the bell to ring to signify the end of the game and we only had five team members who took the court. Those five players did an awesome job of holding off the opposition, just. Cody Scothern experienced a few unruly remarks but collected his thoughts, got back on the court and away he went, which earned him Player of the Game. All five players all deserved that win because they all played with determination and commitment. Ka mau te wehi koutou katoa.

**Check the App, the office window or the Rotorua Basketball Association website for all draws.**
