Kia ora tatou whanau

Welcome to our new whanau:

Renezmae Matekuare Y.2 R.6

Whaea Cassandra

### **DENTAL THERAPISTS/CLINIC**

We are pleased to have Whaea Sharon and Whaea Moana back on site this week. They will be working through the classes. If you have any concerns about your child's teeth please see Anna in the office and we will pass on your concerns.

### **STAFF CAR PARK**

The staff car park is out of bounds to students - for obvious safety reasons. We have a large number of big vehicles in the car park and our staff or the Resource Teachers may need to leave the car park at 3:00 pm. We don't want our tamariki put at risk so I lock the car park gate every day at 3:00 pm - to keep our tamariki out.

There is a sign at the entrance to the car park that informs non-staff members that they are not to enter. This is being ignored and parents are encouraging their children to come through the car park. This needs to stop. Please think about the safety of your child and any other children who may see what is happening and decide to do the same.

We understand that the stormwater works are a problem for people wishing to park outside the school and that the builders are using most of the visitor's car parks. However, Roger Street has parking and so does further down Gem Street.

A little walk is not going to kill anyone. However, being hit by a vehicle in the car park just might. And that is a tragedy none of us could bear.

## **UNIFORMS**

We have senior students who are coming to school in non-uniform items of clothing. Correct uniform must be worn to school. We have second-hand items at a very reasonable cost. See Deirdre in Te Whare Matauranga.

## **SCHOOL PROJECTS**

The astroturf project is nearly finished and looks amazing. The builders have gutted the front office and are busy getting ready for the new cabinets to be installed. We hope to have the revamped office open for business at the beginning of next term.

## **STUDENT WRITING**

### Winter

When I lay in my bed  
There is nothing to do  
Watching Netflix all-day  
I think birds are watching too.

Feeling the cold breeze  
Made me shiver  
At least I'm having nice food  
I think it's called Liver.
