## NEW POLAR FLEECE

Diva and Jade are modelling our new polar fleece from Kukri. We are no longer able to obtain the rust polar material and this is the new style. To order, see Deirdre in Te Whare Matauranga.

## TERM THREE VALUE - CONSIDERATION

We are all encouraged to consider others in conversation. This means not interrupting, speaking at an appropriate volume, using manners and showing an interest in what others have to say.

## **ROTORUA INTERMEDIATE ENROLMENTS**

All students enrolling at Rotorua Intermediate School for 2021 need to have their enrolment forms in by the end of this term, Friday 25 September. The orientation for these students is on Tuesday 18 August.

## **COMMUNITY NOTICE**

### **ROTORUA LAKES COUNCIL SURVEY**

We are emailing to let you know about a survey we are running to help Council better understand what our community values about local parks and reserves.

We acknowledge that the past few months has been a stressful time for many households in Rotorua, but it has also provided a unique opportunity for people to spend more time in their own neighbourhoods. COVID-19 Alert Levels meant people were using spaces close to home for recreation more than ever.

As we reflect back on that time, we want our community to share with us what they noticed about their local parks and reserves. Did you use them for exercise and leisure? Do you use them more now? What did you miss about having a local playground available?

Understanding how our community uses local parks and reserves, and what value people place on them, enables Council to effectively plan for future projects and work programmes.

We want to hear from you! Please take a few minutes to complete the survey and tell us what you value most about your local park or reserve.

## **ASSEMBLY**

Thursday's assembly will be hosted by Room 5 and Whaea Peggy. We hope you can join us at 2:30pm in the hall.

## **SENIOR SCHOOL - ATIAMURI POWER STATION**

The senior classes will be visiting Atiamuri Power Station next Wednesday as part of our study on Energy. Everyone needs to be here before 8:45 am so we can get organised for the bus and leave shortly after 9:00 am. They will also be participating in the museum's education programme on geothermal energy. There is no cost for these trips. The bus will be covered out of the school donation fund and the Ngati Whakaue Education Endowment Trust Board's grant.

## **SCHOOL CROSS COUNTRY**

We have started practising for the school cross country event which is planned for Tuesday 25 August. We have three courses for different age groups around the school grounds and local streets. We would appreciate any parent support as marshals on the day. More information will be sent out closer to the day.
