## **BOOK WEEK**

Congratulations to Harmony Te Kira Cassidy who has won the \$30 book voucher from Mcleods Booksellers.

## **HATS**

A reminder that term four is a hat term for sun safety. All students will need a brimmed hat this term when they are playing outside. We have hats for sale at \$16 each. See Whaea Deirdre in Te Whare Matauranga.

## **SPORTS CORNER**

### **Touch**

What a brilliant day it was for our Year 3 & 4 Touch team. The weather was lovely, the support from the parents was excellent and to finally get out and play a game of touch was just too much. It was grading day, so it gave our boys a chance to show their skills. They played three games with great enthusiasm and dedication and everyone had an awesome day. Now that this day is over, the boys games will be on Wednesday afternoons. Please check the Rotorua Touch website for the draw so you will know when your child's game is. I will also put it on the school app and for those parents who do not have the app, a short note will be sent home, hopefully before Wednesday.

### **Athletics**

Our school athletic day is on Wednesday 4th November. If you are interested in helping out on the day, this would be gratefully appreciated, as we need extra help to man some of the events. I will let those of you that are interested know what your duties will entail on or closer to the day.

## **NEW ZEALAND SHAKE OUT**

Well done to everyone who participated in the NZ ShakeOut last Thursday. It was a bitterly cold day but we practised our Stop, Drop and Roll and assembled outside in just over three minutes.

## **ASSEMBLY**

Assembly will be hosted by Room 4 and Whaea Te Aroha this week. We hope you can join us in the hall at 2:30pm tomorrow.

## **TERM FOUR VALUE - OBEDIENCE**

Obedience is the willingness to obey rightful authority. No one likes to be the victim of a broken rule so our focus is on treating others as you like to be treated yourself.

## **R.10's WRITING ABOUT RULES**

### **A World With No Rules Would Be Disastrous**

Criminals would not get arrested because there are no laws. People would not need to obey the road signs so cars would go really fast. Kids would not go to school because they don't have to. And kids will eat junk food and play the PS4 or XBox and get fat. They would drink fizzy but I would play Mathletics.

### **No Rules**

So... if there were no rules in Touch Rugby, it would be a disaster. Everyone won't know what to do. You won't know where the try line is. You would be confused because you wouldn't know what to do with the ball. I wouldn't want to play a game like that.
