

Reading Together® programme

Reading Together® is a gold standard, research-based workshop programme which helps parents/whānau to provide effective support for their children's reading (and thereby also supports teachers in their classroom programmes).

Early Reading Together® programme

The Rotorua Pacific Islands Trust has this program for pacific island families. It is an amazing program, with amazing results for mum, dad, aunty, nana and of course the children.

Children are welcome and will be cared for, there will be food and we have a beautiful pacific island trained teacher running our program for parents.
