

Thursday 10th August

## ART HOUSE TRIP - DRYPOINT ETCHING

Kia ora Whanau

In Week 6, our students will be going to visit the Children's Art House to gain hands-on experience with drypoint etching, a printmaking technique. This will support our art learning this term and be another way to see how artists produce their work.

Your child will travel to the Children's Art House (in place of the museum which is now closed) in the school van at 9am and return by 12pm. The dates for the different senior classes are as follows:

Room 11	Thursday 31st August
Room 7	Friday 1st September
Room 10	Friday 15th September

In order for this trip to be successful, we will need 4 additional adult helpers per class as there are sharp objects involved in the etching that needs careful supervision. Of these 4 helpers, we would like 2 adults with current driver's licences to drive the school vans.

If you are able to help us out, please send back the form below.
