

SUN SAFETY

RATIONALE

Aorangi School will incorporate SunSmart education and activities as part of our curriculum, policies and procedures.

PURPOSE

- To ensure students and staff are protected from UV radiation.
- To implement sun safe strategies.

GUIDELINES

1. During terms one and four, all students will wear a hat when outside.
2. Students without hats will be required to play and work under trees and walkways.
3. All students will be required to have a bucket style hat as part of the Aorangi school uniform.
4. The school uniform of a short sleeved, collared polo shirt will be enforced in terms one and four.
5. The school will keep supplies of SPF 30+sunblock for use in outside activities in terms one and four.
6. Staff will model sun smart behaviours by wearing hats and sun screen.
7. Summer sports or outside events will be held in the morning during terms one and four.
8. Parents will be informed of the schools sun safety policy and procedures.
9. Sun safety will be included as part of Health Education programmes.

CONCLUSION

The Board of Trustees will ensure that Aorangi School is a safe environment for students and staff.
